

Prepare your Gospel Visual

1. Inside the circle entitled “God”, write in the names of the Trinity: Father, Son, Holy Spirit – one on each side of the triangle.
2. Color the circle yellow to symbolize that God is Light. Leave the heart on God white.
3. Color the cross red to represent Jesus giving up his life to pay the punishment for our sin.
4. Cut out the cross, clean heart and verses from this page to use to share the gospel with the picture on page 1.
5. Fold page 1 on the dotted line and only show the top pictures to start the gospel story.

Share the Gospel

1. God is eternal. God exists as a Trinity. God is Love. God is the creator.
---God created people in His image with the ability to think, reason, and choose between right and wrong.
2. Sin entered the world when the first people chose to disobey God. All people inherit their original sin and are born separated from God because of sin.
---God is righteous and cannot allow sin in His presence, so He made a way to solve our sin problem.
3. (Place the cross to cover the sin that separates people from God). Jesus, God the Son, came to earth to live as a man and then die in the place of all mankind to pay the punishment of death for our sin. (Unfold the paper and place the John 3:16 verse in large verse box, then read it.) Jesus was buried, and was raised on the 3rd day. Then after appearing to his disciples and hundreds of others, returned to heaven.
4. (Place Acts 16:31 verse in smaller verse box, read it)
If you believe in Jesus, you will be saved! (Show the clean heart moving from God, through the cross, and onto the person’s dark heart.)

Staple these papers together back-to-back, with the staple in the top left of the INSTRUCTION page. Keep the instructions attached to the gospel visual for the student to be able to reference.

For this is the way God loved the world: He gave his one and only Son, so that everyone who believes in him will not perish but have eternal life. – John 3:16
